Re: HB 2122: homeland security advisory councils; membership

Dear Speaker Weiers:

Today I vetoed House Bill 2122, related to membership on homeland security advisory councils and the homeland security coordinating council.

Changes to the membership of the homeland security coordinating council are unnecessary. This council was created just last year and there is no need to add members to it at this time.

For this and other reasons, I have vetoed House Bill 2122.

Yours very truly,
